

# Private Policy

Kicotan Acupuncture and Holistic Healing takes your privacy seriously and is committed to protecting your privacy. This means that we will not distribute, trade, sell or rent your name, e-mail address, or other personal information provided on this site to any third party. Any personally identifying information collected for the KAHH is used only for inquiry fulfillment (referrals) or company news subscription purposes. KAHH is the sole owner of all information collected on this site.

## **Information Collection and Use**

KAHH does reserve the right to perform group statistical analyses of user behavior and characteristics. This information would be obtained to measure interest in and use of the various areas of the site, and to inform advertisers of such information, but would not include any personally-identifying information. For example, we may tell an advertiser that a certain number of visitors visited a certain web page over a certain period. But we will not divulge the names, e-mail addresses, or other personal information regarding those visitors.

Additionally, users should be aware that when they voluntarily disclose personally identifiable information (such as the user's name or e-mail address) on the discussion boards or chat areas of KAHH, that information, along with any information disclosed in the user's messages, can be collected, and used by third parties and may result in unsolicited messages from other users or third parties. Such activities are beyond the control of Acupuncture.Com.

Any information shared (including Personally Identifiable and Personal Health Information) that you reveal in a chat room, message board, Ask the Doctor posting is by design open to the public and is not a private, secure service. You should think carefully before disclosing any Personally Identifiable or Personal Health Information in any public forum. What you have written may be seen, disclosed to or collected by third parties and may be used by others in ways we are unable to control or predict, including to contact you for unauthorized purposes.

## **Confidentiality and Security**

This website takes every precaution to secure our users' information. When users submit personally identifiable information via the website, the information is protected both online and offline. We restrict access to your nonpublic personal information to those employees who reasonably need to meet that information. KAHH database is intended for referral purposes only and is designed in a manner that is not conducive to the harvesting of information. We maintain physical, electronic, and procedural safeguards that comply with federal regulations to guard your nonpublic personal information.
